Bat Country by Avenged Sevenfold

He who makes a beast out of himself	But don't be surprised (5) things aren't what they
Gets rid of the (1) of being a man	seem
Caught here in a fiery blaze, won't lose my will to stay	Caught here in a fiery blaze, won't lose my will to stay
I tried to drive all through the night	These eyes won't see the same, after I flip today
The heat stroke ridden weather, the barren empty sights	Sometimes I don't know why we'd rather live than die
No oasis (2) to see	We look up towards the sky for answers to our lives
The (3) is singing deathless words to me	We may get some solutions but most just (6) us by
Can't you help me? As I'm startin' to burn	Don't want your absolution â??cause I can't make it right
(All alone)	I'll make a beast out of myself
Too many doses and I'm starting to get an attraction	Gets rid of all the pain of being a man
My confidence is leaving me on my own	Can't you help me? As I'm startin' to burn
(All alone)	(All alone)
No one can save me and you know I don't want the attention	Too many doses and I'm starting to get an attraction
As I (4) to my new sights	My confidence is (7) me on my own
The rarely tired lights will take me to new heights	(All alone)
My hand is on the trigger I'm ready to ignite	No one can save me and you know I don't want the attention
Tomorrow might not make it but everything's all right	I'm sorry you're not here
Mental fiction follow me	I've been sane too long my vision's so unclear
Show me what it's like to be set free	Now take a trip with me
Can't you help me? As I'm startin' to burn	But don't be surprised when (8) aren't
(All alone)	(9) they seem
Too many doses and I'm starting to get an attraction	I've known it from the start
My confidence is leaving me on my own	All these good ideas will tear your (10) apart
(All alone)	Scared but you, you follow me
No one can save me and you know I don't want the attention	I'm too weird to live but much too rare to die
I'm sorry you're not here	
I've been sane too long my vision's so unclear
