

Fill in the gaps

Check it out	But I'm lying to myself
It feels kind crazy	'Cause I know I don't want nobody else
These covers	'Cause these lips are missing you (missing you)
May keep me warm at night	'Cause these lips ain't kissing you (kissing you)
But they cant take your place	These eyes put up a fight
'Cause they never gonna hold me tight	But once again these tears always win
And these pillows	These arms are wanting you (wanting you)
May let me rest my head	'Cause these arms ain't holding you (holding you)
But they cant say good night	These eyes put up a fight
And tuck me in before I go to bed	But (5) again these tears always win
Say now baby girl you're better off	Tell me (6) the hell this
That's what I'm telling myself	Loneliness is gonna be over
	(Gonna be over)
But I'm lying to myself	When everything in (7) room reminds me of you
'Cause I know I don't want nobody else	(You)
These lips are (1) you	Everytime I think, I'm getting closer
'Cause these lips ain't kissing you	'Cause tears drown me out, once again I lose
These eyes put up a fight	'Cause these (8) are (9) you
But once again these tears always win	(missing you)
These (2) are wanting you	'Cause these lips ain't kissing you (kissing you)
'Cause these arms ain't holding you	I put up a fight
These eyes put up a fight	But once again these tears always win
But once again these tears always win	Crying like
These candles	(Oh oh oh oh)
Light up my room at night	These eyes put up a fight
But they can't lid the room the way you did	But once again these tears always win
When you walked inside	Crying like
Oh baby	(Oh oh oh oh)
If these walls (3) sing	These eyes put up a fight
About everything they've witnessed	But once again these tears (10) win
Oh it'd be a sad sad song	These eyes put up a fight
And it'll probably sound something (4) this	But once again
I say now baby girl you're better off	These tears always win
That's what I'm telling myself
