My child arrived (1) the other day	is to (19) the car keys
Come to the (2) in the (3) way	See you (20) can I have them please
But there were (4) to catch	And the cats in the cradle
And bills to pay	And the silver spoon
He (5) to walk (6) I was away	Little boy blue and the
He was talking for a minute	Man on the moon
And as he grew	When you comin' home son
He'd say I'm gonna be like you Dad	I don't know when
You know I'm gonna be like you	We'll get (21) then
And the cats in the cradle	You (22) we'll have
And the silver spoon	A good time then
Little boy blue and the	I've long since retired
Man on the moon	My son's moved away
When you comin' home son	I called him up just the other day
I don't know when	I'd like to see you if you don't mind
We'll get (7) then	He said
You (8) we'll have	I'd love to Dad
A good time then	If I could find the time
Well my son turned ten	You see my new job's hassle
Just the other day	And the kids have the flu
He said thanks for the ball Dad	But it's sure nice talking to you Dad
Come on let's play	It's been sure nice talking to you
Can you teach me to throw	And as I hung up the phone
I said not today - I got a lot to do	I occured to me
He said that's o.k.	He'd grown up just (23) me
And he walked away and he	My boy was just like me
Smiled and he said	And the (24) in the cradle
You (9) I'm (10) be (11)	And the silver spoon
him yeah	Little boy (25) and the
You know I'm gonna be (12) him	Man on the moon
And the cats in the cradle	When you comin' home son
And the silver spoon	I don't know when
Little boy (13) and the	We'll get together then
Man on the moon	You know we'll have
When you comin' (14) son	A good time then
I don't (15) when	And the cats in the cradle
We'll get together then	And the silver spoon
You know we'll have	Little boy (26) and the
A good time then	Man on the moon
Well he came from college	When you comin' home son
Just the other day	I don't (27) when
So much like a man I (16) had to say	We'll get together then
I'm proud of you could you	You (28) we'll have
