

We are strong

We're not looking for where we belong

Fill in the gaps

We are young	We're not cool
We are strong	We are free
We're not looking for where we belong	And we're running with blood on our knees
We're not cool	We are young
Ne are free	We are strong
And we're running (1) blood on our knees	We're not looking for where we belong
We could rule the world	We're not cool
On a (2) platter	We are free
From the wrong to the right light	And we're running (4) blood on our knees
To an open stream	What do (5) know about us?
Nith a crash and burn	Are they thinking of (6) else?
We could make it better	Are they wondering what we might be?
Turn it upside down	Are they thinking of you or of me?
Just you and me	We are young
We are the dream	We are strong
No other way	We're not looking for where we belong
To be	We're not cool
Ne are young	We are free
Ne are strong	And we're running with blood on our knees
We're not looking for where we belong	We are young
We're not cool	We are strong
Ne are free	We're not looking for where we belong
And we're running with blood on our knees	We're not cool
could change the world	We are free
could make it better	And we're (7) with blood on our knees
Kick it up and down	We are young
Take a chance on me	We are strong
Nhen you fake a smile	We're not looking for where we belong
And you think you're better	We're not cool
Gonna put it down	We are free
Rip it at (3) feet	And we're (8) with blood on our knees
No bridge to burn	We are young
Nowhere to turn	We are strong
For me	We're not looking for where we belong
We are young
