

Fill in the gaps

Mysterious	But the lion is
That's (1) I (2) you	Peace and power, love forever
I'm curious about you	Who am I to (16) before you?
I'm (3) and I'm not sure that you are safe	I am speechless
But your eyes seem to say (4) you are good	But in my weakness
This is not a (5) that I'm living	You are (17) and all is well
This is just a (6) of your own	You took me (18) all (19) I knew
You took me from all that I knew	Shown me how it feels to hope
Shown me how it (7) to hope	With you (20) me, (21) tomorrow
With you with me, facing tomorrow together	together
I can learn to fly	I can learn to fly
Feels (8) I'm living in a lion's mouth	Feels (22) I'm living in a lion's mouth
But the lion is an angel	But the lion is (an angel)
Wise eyes, you see the (9) of me	This is not a dream (23) I'm living
Your gentleness melts me	This is just a (24) of your own
And now I (10) that words cannot describe	You took me (25) all that I knew
The (11) that I feel when I'm with you	Shown me how it (26) to hope
This is not a (12) that I'm living	With you with me, facing tomorrow together
This is just a world of your own	I can learn to fly
You (13) me from all that I knew	Feels (27) I'm living in a lion's mouth
Shown me how it feels to hope	But the lion is an angel
With you with me, (14) tomorrow together	Is an angel
I can learn to fly	
Feels like I'm (15) in a lion's mouth
