

## Fill in the gaps

Mysterious	But the lion is
That's what I call you	Peace and power, love forever
I'm curious about you	Who am I to stand before you?
I'm scared and I'm not sure that you are safe	I am speechless
But your eyes seem to say that you are good	But in my weakness
This is not a dream (1) I'm living	You are here and all is well
This is just a world of your own	You took me from all that I knew
You took me from all that I knew	Shown me how it feels to hope
Shown me how it feels to hope	With you with me, facing tomorrow together
With you with me, facing tomorrow together	I can (7) to fly
I can learn to fly	Feels (8) I'm (9) in a lion's mouth
Feels (2) I'm living in a lion's mouth	But the lion is (an angel)
But the lion is an angel	This is not a dream that I'm living
Wise eyes, you see the core of me	This is just a world of your own
Your gentleness melts me	You took me from all that I knew
And now I know that words cannot describe	Shown me how it feels to hope
The power (3) I (4) when I'm with you	With you with me, facing tomorrow together
This is not a dream that I'm living	I can learn to fly
This is just a world of your own	Feels like I'm living in a lion's mouth
You took me from all that I knew	But the lion is an angel
Shown me how it (5) to hope	Is an angel
With you with me, facing tomorrow together	
I can learn to fly	
Feels like I'm (6) in a lion's mouth
