

With the nerve to adore you

Fill in the gaps

You have a way of coming	Oh, (5) a shame
Easily to me	What a rainy ending
And (1) you take	Given to a perfect day
You take the very (2) of me	So just walk away
So I start to fight	No use defending words
Cause I need to (3) something	That you will never say
And you do what you want	And now that I'm sitting here
Cause I'm not what you wanted	Thinking it through
Oh, what a shame	I've never been anywhere cold as you
What a rainy ending	You (6) gave it a (7) thing, honey
Given to a perfect day	But I cried, cried for you
Just walk away	And I know you wouldn't have (8) nobody
No use defending words	If I died, died for you, died for you
That you will never say	Oh, what a shame
And now that I'm sitting here	What a rainy ending
Thinking it through	Given to a (9) day
I've never been anywhere	Every smile you fake
Cold as you	Is so condescending
You put walls and paint them	Counted all the scars you've made
All shade of grey	And now that I'm sitting here
And I stood (4) loving you	Thinking it trough
And wished them all away	I've never (10) anywhere
And you come away	Cold as you
With a great little story	
Of a mess of dreamer
