

Fill in the gaps

You have a way of coming	Oh, what a shame
Easily to me	What a (16) ending
And when you take	Given to a perfect day
You (1) the (2) best of me	So (17) walk away
So I start to fight	No use (18) words
Cause I (3) to feel something	That you will (19) say
And you do (4) you want	And now that I'm sitting here
Cause I'm not what you wanted	Thinking it through
Oh, what a shame	I've never been (20) (21) as
What a (5) ending	you
Given to a (6) day	You never gave it a damn thing, honey
Just walk away	But I cried, (22) for you
No use (7) words	And I know you wouldn't (23) told nobody
That you (8) never say	If I died, died for you, (24) for you
And now (9) I'm (10) here	Oh, what a shame
Thinking it through	What a rainy ending
I've never been anywhere	Given to a (25) day
Cold as you	Every smile you fake
You put (11) and (12) them	Is so condescending
All shade of grey	Counted all the scars you've made
And I (13) there loving you	And now (26) I'm sitting here
And (14) them all away	Thinking it trough
And you come away	I've never been anywhere
With a great little story	Cold as you
Of a (15) of dreamer	
With the nerve to adore you
