Fill in the gaps

A Thousand Kisses Deep by Leonard Cohen

The ponies run, the girls are young	I blessed our (12) fleet
The odds are there to beat	And (13) to be
You win a while, and then it's done	wrecked
Your (1) winning streak	A (15) (16) deep
And summoned now to deal	I'm turning tricks, I'm getting fixed
With your invincible defeat	I'm back on (17) street
You live (2) life as if it's real	I guess they won't (18) the gifts
A thousand (3) deep	That you (19) meant to keep
I'm turning tricks, I'm getting fixed	And quiet is the thought of you
I'm back on Boogie Street	The file on you complete
You lose your grip, and then you slip	Except (20) we forgot to do
Into the masterpiece	A thousand kisses deep
And maybe I had (4) to drive	And sometimes (21) the night is slow
And (5) to keep	The wretched and the meek
You ditch it all to (6) alive	We gather up our hearts and go
A thousand kisses deep	A (22) kisses deep
And (7) when the night is slow	The ponies run, the (23) are young
The (8) and the meek	The (24) are there to beat
We gather up our hearts and go	You win a while, and then it's done
A (9) kisses deep	Your (25) winning streak
Confined to sex, we pressed against	And summoned now to deal
The limits of the sea	With your invincible defeat
I saw there were no oceans left	You live your (26) as if it's real
For (10) like me	A (27) (28) deep
I made it to the (11) deck
