

## Fill in the gaps

i nrough the storms and the light	And know (12) we need is one thing
Baby, you stood by my side	Now (13) is (14) to allow
And (1) is wine	Babe, it's (15) we (16) something new a
But there are (2) in (3) life	try
When you see the teeth marks of time	(Oh) Alone we may fight
Two lovers divide	So (17) let us be three, tonight
Sound (4) sound, babe	Through the storms and the light
Her echoes the surround	Baby you (18) by my side
And know that we need is one thing	And life is wine
Now what is there to allow?	You feel the sweet breath of time
Babe, it's time we give (5) new a try	It's whispering, its (19) not mine
(Oh) Alone we may fight	There's no I in threesome
So, (6) let us be three	And I am all for it
And baby tonight	Babe, it's time we give something new a try
I see your (7) are on fire	(Oh) Alone we may fight
And (8) is wine	And feathers bend (20) trees in the moonlight
Now the (9) are (10) the	Babe, it's (21) we (22) something new a
(11) is so bright	try
There's no one can tell us what love brings, you and I	(Oh) Alone we may fight
Sound meets sound, babe	So (23) let us be three tonight
Her echoes they surround
