I'm coming out of my cage	Because I (12) it all
And I've (1) just fine	It (13) out with a kiss
Gotta gotta be down	How did it end up like this?
Because I want it all	It was (14) a kiss, it was (15) a kiss
It started out (3) a kiss	Now I'm falling asleep
How did it end up like this?	And she's calling a cab
It was only a kiss, it was only a kiss	While he's (16) a smoke
Now I'm (4) asleep	And she's taking a drag
And she's calling a cab	Now they're (17) to bed
While he's having a smoke	And my (18) is sick
And she's taking a drag	And it's all in my head
Now they're going to bed	But she's touching his chest
And my (5) is sick	Now, he takes off her dress
And it's all in my head	Now, (19) me go
But she's (6) his chest	Cause I just can't (20) it's (21)
Now, he takes off her dress	me
Now, letting me go	And taking control
And I just can't look it's (7) me	Jealousy
And taking control	Turning saints (22) the sea
