

Fill in the gaps

I'm coming out of my cage	Because I (4) it all
And I've been doing just fine	It started out (5) a kiss
Gotta gotta be down	How did it end up like this?
Because I want it all	It was only a kiss, it was only a kiss
It started out with a kiss	Now I'm falling asleep
How did it end up (1) this?	And she's (6) a cab
It was only a kiss, it was only a kiss	While he's having a smoke
Now I'm (2) asleep	And she's taking a drag
And she's calling a cab	Now they're going to bed
While he's having a smoke	And my stomach is sick
And she's taking a drag	And it's all in my head
Now they're going to bed	But she's touching his chest
And my stomach is sick	Now, he (7) off her dress
And it's all in my head	Now, letting me go
But she's touching his chest	Cause I (8) can't (9) it's
Now, he takes off her dress	(10) me
Now, letting me go	And taking control
And I just can't look it's killing me	Jealousy
And taking control	Turning saints into the sea
Jealousy	Swimming through sick lullabies
Turning (3) into the sea	Choking on your alibis
Swimming through sick lullabies	But it's just the price I pay
Choking on your alibis	Destiny is calling me
But it's just the price I pay	Open up my eager eyes
Destiny is calling me	'Cause I'm Mr Brightside
Open up my eager eyes	I never
'Cause I'm Mr Brightside	I never
I'm coming out of my cage	I never
And I've been doing just fine	I never
Gotta gotta be down
