

Fill in the gaps

Crawling in my skin	It's haunting how I can't seem
These wounds, they will not heal	To find myself again
Fear is how I fall	My walls are closing in
Confusing what is real	Without a sense of confidence
There's (1) inside me that pulls	I'm convinced that there's (6) too much pressure to
beneath the surface	take
Consuming, confusing	I've felt this way before
This lack of self control I fear is never ending	So insecure
Controlling, I can't seem	Crawling in my skin
To (2) myself again	These wounds, they will not heal
My walls are closing in	Fear is how I fall
Without a sense of confidence	Confusing what is real
I'm convinced (3) there's just too much pressure to	Crawling in my skin
take	These wounds, they will not heal
I've felt this way before	Fear is how I fall
So insecure	Confusing, confusing what is real
Crawling in my skin	There's something (7) me that pulls beneath
These wounds, (4) will not heal	the surface
Fear is how I fall	Consuming, confusing what is real
Confusing what is real	This lack of self control I fear is never ending
Discomfort, endlessly has pulled itself upon me	Controling, (8) what is real
Distracting ((5)), reacting	
Against my will I stand beside my own reflection
