

Fill in the gaps

Guns And Horses by Ellie Goulding

| You're so quiet | Door (11) open, Heaven knows |
|--|--|
| But it doesn't phase me | You're so worth it, you are |
| You're on time | But I (12) I could (13) it all for you |
| You move so fast, (1) me feel lazy | I (14) I (15) be it all for you |
| And let's (2) forces | If I (16) (17) the pain |
| We've got our (3) and horses | And (18) you'd feel the same |
| (4) you've (5) burned | I'd do it all for you |
| But every fire is a (6) learned | I would, I would, I would |
| left my house, left my clothes | It's (19) to come clean and make (20) |
| Door (7) open, Heaven knows | of everything |
| You're so worth it, you are | It's time (21) we (22) out who we are |
| But I (8) I could feel it all for you | 'Cause when I'm standing here in the dark |
| wish I could be it all for you | I see your face in (23) star |
| f I could (9) the pain | But I wish I (24) feel it all for you |
| Maybe you'd (10) the same | I wish I could be it all for you |
| 'd do it all for you | If I (25) (26) the pain |
| would, I would, I would | And maybe you'd feel the same |
| _et's type words | I'd do it all for you |
| Cause they amount to nothing | I would, I would |
| Play it down | I'd do it all for you, I'd do it all for you |
| Pretend you can't take what you've found | I'd do it all for you, I'd do it all for you |
| But you found me | I'd do it all for you, I'd do it all for you |
| On a screen you sit at permanently | I'd do it all for you, I'd do it all for you |
| left my house, left my clothes | |
