

In the future

## Fill in the gaps

I am an island underneath the setting sun	Sometimes we start over
In an ocean that is churning	And go solo
For all I know there might be (1) nearby	No metaphors
Still, the world, it keeps on turning	Are (4) from
And when that sun goes down	This time onwards
It gets brighter in my heart somehow	In the
I don't know why this is	(Sooooome)
But it's what I want to know	(Oooooooh)
Sometimes we start over	(Aaaaaaah)
And go solo	(Oooooooh)
We're looking for	And when the sun (5) down
That summer home	It gets brighter in my (6) somehow
Beside the sea	I don't know why this is
And for the future	But it's what I'd like to know
(Oooooooh)	Sometimes we (7) over
Since I left you I'm a gold balloon that wanders high	And go solo
I won't sing through rainbows and showers	We're (8) for
Taking lovers just (2) keep my tears at bay	The (9) we've hurt
But the dam can (3) at any hour	Just to forgive us
By candle-light you seem	In the future
To deepen in your mysteries	Sometimes we start over
Confusing forces move	And just go solo
At the tides of these seas	No metaphors
Sometimes we start over	Are needed from
And go solo	This time onwards
We're looking for	In (10) song
The ones we've hurt	
Just to forgive us
