

In the future

Fill in the gaps

I am an island underneath the setting sun	Sometimes we start over
In an ocean that is churning	And go solo
For all I know there (1) be nobody nearby	No metaphors
Still, the world, it keeps on turning	Are needed from
And when that sun goes down	This time onwards
It gets brighter in my heart somehow	In the
I don't know why (2) is	(Soooome)
But it's what I want to know	(Ooooooh)
Sometimes we start over	(Aaaaaaah)
And go solo	(Ooooooh)
We're looking for	And when the sun (7) down
That summer home	It gets brighter in my heart somehow
Beside the sea	I don't know why this is
And for the future	But it's (8) I'd like to know
(Oooooooh)	Sometimes we (9) over
Since I left you I'm a gold (3) that wanders	And go solo
high	We're looking for
I won't sing through (4) and showers	The ones we've hurt
Taking lovers (5) might keep my tears at bay	Just to forgive us
But the dam can break at any hour	In the future
By candle-light you seem	Sometimes we start over
To deepen in your mysteries	And just go solo
Confusing forces move	No metaphors
At the tides of these seas	Are needed from
Sometimes we start over	This (10) onwards
And go solo	In this song
We're looking for	
The (6) we've hurt	
Just to forgive us
