

Fill in the gaps

You lead me on the path	I might find it's not for me
Keep (1) me the way	Tell me (11) you can hear
I feel a (2) lost	And then tell me what you see
A little (3) today	Everybody has a different way
I think I'll take a hold	To view the world
Of whatever comes my way	I (12) like you to know
Then we'll see (4) happens	When you see the simple things
Take it day by day	To appreciate this life
I though I had it all	It's not too (13) to learn
I had it all worked out	Tell me what you can hear
Just what my future held	And then tell me (14) you see
That (5) would be no doubt	Everybody has a different way
But (6) the card came up	To view the world
And I took another turn	I would like you to know
But I don't (7) if it's	When you see the simple things
Fulfillment that I yearn	To appreciate this life
Tell me what you can hear	It's not too late to learn
And (8) tell me what you see	Don't (15) to be here
Everybody has a different way	Somewhere I'd (16) be
To view the world	But when I get there
I would like you to know	I might find it's not for me
When you see the simple things	Don't (17) (18) I want
To (9) life	Or where I (19) to be
It's not too late to learn	I'm feeling more confused
Don't want to be here	The more the days go by
Somewhere I'd rather be	
But when I get there
