I've seen your flag on the marble arch

## Fill in the gaps

#### Hallelujah (Live) by Rufus Wainwright

I've heard there was a secret chord	Love is not a victory march
That David played, and it pleased the Lord	It's a cold and it's a broken hallelujah
But you don't really care for music, do you?	Hallelujah, hallelujah
lt (1) (2) this	Hallelujah, hallelujah
The fourth, the fifth	There was a time you'd let me know
The (3) fall, the major lift	What's real and going on below
The baffled king composing Hallelujah	But now you never show it to me do you?
Hallelujah, hallelujah	Remember (7) I moved in you?
Hallelujah, hallelujah	The holy (8) was moving too
Your faith was (4) but you needed proof	And every breath we (9) was hallelujah
You saw her bathing on the roof	Hallelujah, hallelujah
Her beauty	Hallelujah, hallelujah
In the moonlight	Maybe there's a God above
Overthrew you	And all I ever learned from love
She tied you	Was how to shoot at (10) who outdrew you
To a kitchen chair	It's not a cry you can hear at night
She broke your throne	It's not somebody who's seen the light
She cut your hair	It's a cold and it's a broken hallelujah
And from your lips she drew the Hallelujah	Hallelujah, hallelujah
Hallelujah, hallelujah	Hallelujah, hallelujah
Hallelujah, hallelujah	Hallelujah, hallelujah
Maybe I've been (5) before	Hallelujah, hallelujah
I (6) this room, I've walked this floor	
I used to live alone before I knew you
