

Better than all the rest

Fill in the gaps

I (1) you when I need you, my heart's on fire	Better than anyone
You come to me, come to me, wild and wild	Anyone I've ever met
Now you come to me	I'm (6) on your heart
Give me everything I need	I (7) on every word you say
Give me a lifetime of promises and a world of dreams	Tear us apart, no, no
Speak a language of love like you know what it means	Baby I would rather be dead
And it can't be wrong	Each time you leave me I start losing control
Take my heart and make it strong, babe	You're walking away with my heart and my soul
You're simply the best	I can feel you even when I'm alone
Better (2) all the rest	Oh baby, don't let go
Better than anyone	You're the best
Anyone I've ever met	Better than all the rest
I'm stuck on your heart	Better than anyone
hang on (3) word you say	Anyone I've (8) met
Tear us apart	I'm (9) on your heart
Baby I would rather be dead	I hang on (10) word you say
In your heart I see the (4) of every night and	No, tear us apart, no, no
every day	Baby I would rather be dead
In your eyes, I get lost, I get washed away	(Ooh) you're the best
Just as (5) as I'm here in your arms	
could be in no better place	
You're simply the best
