

## Fill in the gaps

How can you always be late for your arrival?	Are your eyes (9) off for mine
You know I'd forgive you every (1) time	Your face in my (10) is
Retreat, retreat	(11) I need
I've fallen at the low tide	Bones, starved of flesh
(Oh) retreat, retreat	Surround (13) aching heart
And meet me by the quayside	Full of love
In the end all you can hope for	(Oh) bones, starved of flesh
Is the love you felt to equal the pain you've (2)	Surround (14) (15) heart
through	Full of love
Are (3) eyes (4) off for mine	Bones, starved of flesh
Your (5) in my hands is	Surround your aching heart
(6) good I need	Bones
The system's put in place, put there to protect us	(Oh) bones
For you I'd (7) a lifeline every time	I watch as your (16) show off for mine
(Oh) Retreat, retreat	I (17) as (18) eyes (19)
I've fallen at the low tide	off
Now retreat, retreat	I watch as your (20) (21) off
And meet me by the quayside	I watch as your (22) (23) off for mine
In the end all you can hope for	
Is the love you felt to (8) the pain you've gone	
through
