

## Want Out by Helloween

From our lives beginning on We are pushed in little forms No one asks us how we like to be In school they teach you what to think \_\_\_\_\_ says different things But they're all convinced that they're the ones to see So they keep talking and they never stop And at certains point you give it up So the only thing that's left to think is this (I want out...) To live my life alone (I want out...) Leave me be (I want out...) To do things on my own (I want out...) To live my life and to be free People tell me A and B They tell me how I have to see Things that I have seen already clear So they push me then from side to side They're pushing me from black to white They're pushing 'til there's nothing more to hear

## Fill in the gaps

But don't push me to the maximum
Shut your mouth and (2) it home
'Cause I decide the way things gonna be
(I (3) out) To live my life alone
(I (4) out) Leave me be
(I want out) To do things on my own
(I (5) out) To live my life and to be free
There's a (6) ways to see the things in life
A million ways to be the fool
In the end of it, (7) of us is right
Sometimes we need to be alone
No, No, No, No, No, No
Leave me aloneTo live my life alone
(I want out) Leave me be
(I want out) To do things on my own
(I want out) To live my life and to be free (Ah!!!)
I want out!!!
