Santa Monica by Theory of A Deadman

She (1) my bed with gasoline	And I remember the (5) when you left for Santa
You think I would have noticed	Monica
Her mind's (2) up	And I remember the day you told me it's over
The love is gone	I wanted more than this
I think someone's trying to show us a sign	I needed more than this
That even if we (3) it would last	I deserve more than this
The moment would pass	But it just won't stop
My bones will break and my heart will give	It just won't go away
(Oh), it hurts to live	I (6) more than this
And I remember the day when you left for Santa Monica	I wanted more (7) this
You left me to remain with all your excuses for everything	I asked for more than this
And I remember the time when you left for Santa Monica	But it just won't stop
And I remember the day you told me it's over	It just won't go away
It hurts to breathe	And I remember the day when you left for (8)
Well every time that you're not next to me	Monica
Her mind's made up	You left me to remain with all your excuses for everything
The girl is gone	And I remember the time when you left it all behind
And now I'm forced to see	And I remember the day you told me it's over
I think I'm on my way	And I remember the day when you left for Santa Monica
(Oh), it (4) to live today	You left me to remain with all your excuses for everything
(Oh) and she says "Don't you wish you were dead like me?"	And I remember the time when you left for Santa Monica
And I remember the day when you left for Santa Monica	(Yeah), I (9) the day you told me it's over
You left me to remain with all your excuses for everything
