Better In Time (Live) by Leona Lewis

It's been the longest winter without you	It's time I let you go so I can be free
I didn't know (1) to turn to	And live my life how it should be
See, somehow I can't forget you	No matter how hard it is
After all (2) we've been through	I'll be fine without you, yes I will
Going, coming thought I (3) a knock	Thought I couldn't (7) without you
Who's there? No one	It's gonna hurt when it (8) too (oh)
Thinking that I deserve it	It'll all get better in time
Now I realize that I really didn't, (nooo)	And even though I really love you
If you didn't notice, you mean everything	I'm gonna smile cause I deserve to (yes I do)
Quickly I'm learning to love again	It'll all get better in time
All (4) I know is I'm gon' be okay	Thought I couldn't live without you
Thought I couldn't live without you	It's gonna hurt when it heals too (yeah)
It's gonna hurt (5) it heals too, (ooh yeah)	It'll all get (9) in time
(It'll all get better in time)	And even though I (10) love you
And even though I really love you	I'm gonna smile cause I deserve to (yes)
I'm gonna smile (6) I deserve to	It'll all get better in time
It'll all get better in time	
Since there's no more you and me (no more you and me)
