

Fill in the gaps

Better In Time (Live) by Leona Lewis

It's been the (1) winter without you	It's time I let you go so I can be free
I didn't know where to (2) to	And (14) my life how it should be
See, somehow I can't (3) you	No matter how hard it is
After all that we've (4) through	I'll be fine without you, yes I will
Going, coming thought I (5) a knock	Thought I couldn't live (15) you
Who's there? No one	It's gonna hurt when it heals too (oh)
Thinking (6) I deserve it	It'll all get better in time
Now I (7) (8) I really didn't,	And even though I really (16) you
(nooo)	I'm gonna (17) cause I deserve to (yes I do)
If you didn't notice, you (9) everything	It'll all get (18) in time
Quickly I'm learning to love again	Thought I couldn't (19) without you
All that I know is I'm gon' be okay	It's (20) hurt (21) it heals too (yeah)
Thought I couldn't (10) without you	It'll all get (22) in time
It's gonna hurt when it heals too, (ooh yeah)	And even (23) I really (24) you
(It'll all get better in time)	I'm gonna smile cause I deserve to (yes)
And even though I (11) love you	It'll all get better in time
I'm gonna smile (12) I deserve to	
It'll all get (13) in time	
Since there's no more you and me (no more you and me)
