Better In Time (Live) by Leona Lewis

Since there's no more you and me (no more you and me)

It's been the longest winter without you			It's (7)	_ I let you go so I can be free	
I didn't know where to turn to			And live my life how it should be		
See, somehow I can't forget you			No (8) how hard it is		
After all that we've been through			I'll be fine without you, yes I will		
Going, coming thought I (1)	a knock		Thought I couldn't live without you		
Who's there? No one			It's gonna hurt when it heals too (oh)		
Thinking (2) I deserve it			It'll all get better in time		
Now I (3) that I (4	4)	didn't,	And (9)	though I really love you	
(nooo)			I'm gonna smile cause I deserve to (yes I do)		
If you didn't notice, you mean everything			It'll all get better in time		
Quickly I'm learning to love again			Thought I couldn't live without you		
All that I know is I'm gon' be okay			It's gonna hurt when it (10) too (yeah)		
Thought I couldn't live without you			It'll all get better in time		
It's gonna hurt when it heals too, (ooh yeah)			And even though I really love you		
(It'll all get better in time)			I'm gonna smile	cause I deserve to (yes)	
And (5) (6)	I really love you		It'll all get better	in time	
I'm gonna smile cause I deserve to					
It'll all get better in time
