

Fill in the gaps

The Keeper of the Stars by Tracy Bird

It was no (1) me finding you	I know I don't (12) a treasure like you
Someone had a hand in it	There (13) are no words
Long before we (2) knew	To (14) my gratitude
Now I just can't believe you're in my life	So I tip my hat to the keeper of the stars
Heaven's smilin' down on me	He sure (15) what he was doing
As I look at you tonight	When he (16) (17) two hearts
I tip my hat to the keeper of the stars	I hold everything
He (3) knew (4) he was doing	When I hold you in my arms
When he joined (5) two hearts	I've got all I'll (18) need
I hold everything	Thanks to the (19) of the stars
When I hold you in my arms	It was no (20) me finding you
I've got all I'll (6) need	Someone had a (21) in it
Thanks to the keeper of the stars	Long before we (22) knew
Soft moonlight on your (7) (oh) how you shine	
It (8) my (9) away	
Just to look (10) (11) eyes
