Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave (1)_____ star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just flown too far (2)_____ the (3)_____
(4)_____ time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the (5)_____ point
That was one (6)_____ night
The star maker says it ain't so bad
The dream maker's gonna (7)_____ you mad
The spaceman says everybody look down
Its all in your mind
Well now I'm back at (8)_____ and
I'm looking forward to this life I live
You (9)_____ it's gonna haunt me
So hesitation to (10)_____ (11)_____ I give
You think you might cross over
You caught between the devil and the deep blue sea
You better look it over
Before you make (12)_____ leap
And you know I'm fine but I (13)_____ those voices at
night
Sometimes... they (14)_____ my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh (15)_____ a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (16)_____ down
It's all in your mind
The (17)_____ maker says it ain't so bad
The (18)_____ maker's gonna (19)_____ you
mad
The spaceman says (20)_____ look down
Its all in your mind
My global position systems are vocally addressed
They say the (21)_____ used to run from east to west

I'm fine
But I hear those voices at night
Sometimes...
The (22)_____ (23)_____ says it ain't so bad
The dream maker's (24)_____ make you mad
The spaceman says everybody look down
Its all in (25)_____ mind
The star (26)_____ says It ain't so bad

(28)_____ down
It's all in your mind
