Spaceman by The Killers

It started (1)_____ a low light
Next thing I knew they ripped me from my bed
And then they took my (2)_____ type
They left a strange impression in my head
You know (3)_____ I was hoping
That I could leave this star-crossed world behind
But when (4)_____ cut me open
I guess I (5)_____ my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding (6)_____ and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The (7)_____ maker's gonna make you mad
The spaceman (8)_____ everybody look down
Its all in your mind
Well now I'm back at home and
I'm (9)_____ forward to this life I live
You know it's gonna haunt me
So (10)_____ to this (11)_____ I give
You (12)_____ you might cross over
You caught (13)_____ the devil and the deep
blue sea
You better (14)_____ it over
Before you make (15)_____ leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the (16)_____ don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (17)_____ look down
Its all in your mind
My global position systems are vocally addressed
They say the Nile (18)_____ to run (19)_____
(20)_____ to west
They say the (21)_____ used to run from (22)_____
to west
I'm fine
But I hear (23)_____ (24)_____ at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (25)_____ down
Its all in your mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman (26)_____ everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
