Spaceman by The Killers

It started with a low light
Next thing I knew (1)_____ (2)_____ me from
my bed
And then they (3)_____ my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave this star-crossed world behind
But (4)_____ they cut me open
I (5)_____ I changed my mind
And you know I might
Have (6)_____ flown too far from the floor this time
'Cause (7)_____ calling me by my name
And the (8)_____ (9)_____ light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The (10)_____ maker's gonna make you mad
The (11)_____ says everybody look down
Its all in your mind
Well now I'm back at home and
I'm (12)_____ forward to this life I live
You know it's gonna haunt me
So hesitation to this life I give
You think you might cross over
You caught (13)_____ the devil and the
(14)_____ (15)_____ sea
You better look it over
Before you (16)_____ that leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a (17)_____ point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (18)_____ look down
It's all in your mind
The star (19)_____ says it ain't so bad
The dream maker's (20)_____ (21)_____ you
mad
The (22)_____ says everybody look down
Its all in (23)_____ mind
My global position systems are vocally addressed
They say the Nile used to run from east to west
They say the Nile used to run (24)_____ east to west
I'm fine
But I hear (25)_____ voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The (26)_____ says everybody look down
Its all in (27)_____ mind
The star (28)_____ says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in (29)_____ mind
It's all in my mind
It's all in my mind...
