

## Fill in the gaps

## Secret Garden by Bruce Springsteen

She'll let you in her house	To that place where you can't remember
If you come knocking (1) at night	And you can't forget
She'll let you in her mouth	She'll lead you (6) a path
If the words you say are right	There'll be tenderness in the air
If you pay the price	She'll let you come just far enough
She'll let you deep inside	So you (7) she's really there
But there's a (2) garden she hides	Then she'll look at you and smile
She'll let you in her car	And her (8) will say
To go (3) 'round	She's got a (9) garden
She'll let you into the (4) of herself	Where everything you want
That'll bring you down	Where everything you need
She'll let you in her heart	Will always stay
If you got a (5) and a vise	A million miles away
But into her secret garden, don't think twice	
You've gone a million miles	
How far'd you get
