Fill in the gaps

More Than Words by Extreme

Saying I love you

Is not the words I want to hear from you

It's not that I want you

Not to say, but, if you only knew

How easy, it would be to show me how you feel

More than words, is all you have to do to (1)_____ it real

Then you wouldn't have to say, that you love me

Cos I'd already know

What would you do, if my heart was torn in two

More than words to show you feel

That (2)_____ love for me is real

What would you say, if I took (3)_____ words away

Then you couldn't make things new

Just by saying I love you

More (4)_____ words...

Now (5)_____ I've tried to, talk to you and (6)_____ you understand

All you have to do is close your eyes

And just reach out your hands, and (7)_____ me

Hold me (8)_____ don't ever let me go

More than words, is all I ever needed you to show

Then you wouldn't have to say, (9)_____ you (10)_____ me

Cos I'd already know

More than words...

More than words...
