

## Fill in the gaps

Faithfulness	Been running from your heart
Distracts me from my (1) changing	And I feel like you've (15) (16)
Tastefulness	too
My mouth upon the richest tongues	Don't you know (17) I've
I run for this	Been lying from the start
Static at the same time by it all	And I (18) like you've been
Common sense	Lying too
Can slap me in the face	Faithfulness is (19) a little rule
And yet I calm disent	We break
Embarrassed by your obvious	Still pretending lust was just a fool
Indifference	We faked, we made
Disgusted at the same time by it all	
Watching as my ego breaks (2) fall	Don't you (20) that I've
Don't you know (3) I've	Been running from your heart
Been running (4) your heart	And I feel like you've been running too
And I (5) like you've been running too	Don't you (21) I've
Don't you know that I've	Been lying from the start
Been (6) from the start	And I feel like you've been
And I feel (7) you've (8) lying too	Lying too
Leave you now	Don't you know that I've
Can't (9) myself	Been running (23) your heart
That you're the one somehow	And I feel like you've been running too
To free me (10) this smile	Don't you know that I've
I (11) my loneliness	Been lying (24) the start
Stuck inside this need to (12) complete	And I feel (25) you've
Now I've left you standing on (13) feet	Been (26) too
Don't you (14) that I've
