

The cracks in our foundation

Fill in the gaps

Thursday night, everything's fine		And I know that I should let go, but I can't	
Except you've got that look in (1) eye		And every time we fight I know it's not right	
When I'm telling a story, and you find it boring		Every time that you're upset and I smile	
ou're thinking of something to say		I know I should forget, but I can't	
ou'll go along with it, then drop it		Your face is pastey	
And humiliate me in front of our friends		'Cause you've gone and got so wasted	
Then I'll use (2) voice that you find annoying		What a surprise	
And say something like,		Don't want to look at your face, 'cause it's making me sign	ck
Yeah, intelligent input, darling.		You've gone and got sick on my trainers	
Why don't you just have another beer then?"		I only got these yesterday	
Then you'll call me a bitch		Oh my gosh, I cannot be bothered with this	
And (3)	we're with will be embarrass	d Well, I'll leave you there 'till the morning	
And I won't give a shit		And I purposely won't turn the heating on	
My fingertips are holding onto		And dear God, I hope I'm not (6) with this	one
The cracks in our foundation		My fingertips are holding onto	
And I know that I should let go, but I can't		The (7) in our foundation	
And every time we fight I kn	ow it's not right	And I know that I should let go, but I can't	
Every time that you're upset	and I smile	And every (8) we (9) I know	it's no
know I should forget, but I	can't	right	
ou said I must eat so many lemons		Every time that you're upset and I smile	
Cause I am so bitter		I know I should forget, but I can't	
said, "I'd (4)	be (5) your fri	nds, And every time we fight I know it's not right	
nate,		Every time that you're upset and I smile	
Cause they are much fitter."		I know I (10) forget, but I can't	
es, it was childish		And every time we fight I know it's not right	
And you got aggressive		Every time that you're upset and I smile	
And I must admit that I was a bit scared		I know I should forget, but I can't	
But it gives me thrills to wind	d you up		
My fingertips are holding on	to
