

Fill in the gaps

We were both young when I (1) saw you	And I said
I close my eyes	Romeo take me somewhere we can be alone
And the flashback starts	I'll be waiting all there's left to do is run
I'm standing there	You'll be the prince and I'll be the princess
On a balcony in summer air	It's a (14) (15) baby (16)
See the lights	say yes
See the party, the ball gowns	Romeo save me, they try to tell me how to feel
I see you (2) your way through the crowd	This love is difficult, but it's real
And say hello	Don't be afraid, we'll make it out of (17) mess
Little did I know	It's a love story baby (18) say yes
That you were Romeo, you (3) throwing pebbles	(Oh oh)
And my daddy (4) stay away from Juliet	I got tired of waiting
And I was (5) on the staircase	Wondering if you were ever (19) around
Begging you please don't go	My (20) in you is fading
And I said	When I met you on the outskirts of town
Romeo take me somewhere we can be alone	And I said
I'll be waiting all there's left to do is run	Romeo save me I've been feeling so alone
You'll be the prince and I'll be the princess	I keep waiting for you but you (21) come
It's a (6) story baby just say yes	Is this in my head? I don't know (22) to think
So I sneak out to the garden to see you	He knelt to the ground and pulled out a (23) and
We keep (7) 'cause we're (8) if	said
(9) knew	Marry me Juliet, you'll never have to be alone
So close your eyes	I love you and that's all I really know
Escape this town for a little while	I talked to your dad, go pick out a white dress
'Cause you (10) Romeo, I was a	It's a love story baby just say yes
(11) letter	(Oh, oh, oh, oh)
And my daddy said stay (12) from Juliet	'Cause we were (24) young when I first saw you
But you were (13) to me	
I was begging you please don't go
