

Fill in the gaps

The (1) is a bloom	Touch me
Shoots up (2) the stony ground	Take me to that other place
There's no room	Teach me
No (3) to (4) in this town	I (13) I'm not a (14) case
You're out of luck	See the world in green and blue
And the (5) (6) you had to care	See (15) right in front of you
The traffic is stuck	See the canyons (16) by cloud
And you're not moving anywhere	See the (17) (18) clearing the sea
You (7) you'd (8) a friend	out
To take you out of this place	See the Bedouin fires at night
Someone you could (9) a hand	See the oil fields at (19) light
In return for grace	See the bird with a (20) in her mouth
It's a (10) day	After the flood all the colors came out
Sky falls, you feel like	
It's a beautiful day	It was a beautiful day
Don't let it get away	Don't let it get away
You're on the road	Beautiful day
But you've got no destination	Touch me
You're in the mud	Take me to that other place
In the (11) of her imagination	Reach me
You love this town	I know I'm not a hopeless case
Even if that doesn't ring true	What you don't have you don't need it now
You've (12) all over	What you don't know you can (21) it somehow
And it's been all over you	What you don't have you don't need it now
It's a beautiful day	Don't (22) it now
Don't let it get away	Was a beautiful day
It's a beautiful day
