Haven't you seen?

When leaves have fallen
And skies (1) into grey
The night keeps on closing in on the day
A nightingale sings his song of farewell
You better hide for her freezing hell
On (2) wings she's coming
You better (3) moving
For warmth, you'll be longing
Come on (4) feel it
Don't you see it?
You better (5) it
When she embraces
Your (6) turns to stone
She comes at night when you are all alone
And when she whispers
Your blood shall run cold
You better hide before she finds you
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world
Whenever she is raging
She (7) all life away
Haven't you seen?

The ruins of our world
She (8) the earth with a breathtaking cloak
The sun awakes and melts it away
The world now opens its eyes and sees
The dawning of a new day
On cold wings she's coming
You better keep moving
For warmth, you'll be longing
Come on just feel it
Don't you see it?
You better believe it
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
