

When leaves have fallen

Fill in the gaps

And skies turned into grey	
The night (1) on closing in on the day	
A nightingale sings his song of farewell	
You (2) hide for her freezing hell	
On cold wings she's coming	
You better keep moving	
For warmth, you'll be longing	
Come on just feel it	
Don't you see it?	
You better believe it	
When she embraces	
Your heart turns to stone	
She comes at night (3) you are all alone	
And when she whispers	
Your blood shall run cold	
You better hide before she (4) you	
Whenever she is raging	
She takes all life away	
Haven't you seen?	
Haven't you seen?	
The ruins of our world	
Whenever she is raging	
She takes all life away	
Haven't vou seen?	

Haven't you seen?		
The ruins of our world		
She covers the (5)	with a breathtaking cloak	
The sun awakes and melts it away		
The world now opens its eyes and sees		
The dawning of a new day		
On cold wings she's coming		
You better keep moving		
For warmth, you'll be longing		
Come on (6) feel it		
Don't you see it?		
You better (7)	it	
Whenever she is raging		
She takes all life away		
Haven't you seen?		
Haven't you seen?		
The ruins of our world		
Whenever she is raging		
She takes all life away		
Haven't you seen?		
Haven't you seen?		
The ruins of our world
