## The Lady In Red by Chris De Burgh

## Fill in the gaps

I've never seen you looking so lovely As you did tonight I've never seen you shine so bright I've never seen so many men ask you If you wanted to dance Looking for a little romance Giving (1)\_\_\_\_\_ the chance I have never seen (2)\_\_\_\_\_ dress your wearing Or the highlights in your hair that catch your eyes I have been blind Lady in red Is dancing with me Cheek to cheek There's (3)\_ \_\_\_ here Just you and me It's where I wanna be I hardly know This beauty by my side Never forget The way you look tonight I've never seen you look so gorgeous As you did tonight \_\_\_\_ you (5)\_\_\_\_ so bright I've never (4)\_ You were amazing I've never seen so many people

| Want to be there by your side             |
|---|
| And when you turned to me and smile       |
| You took my breath away                   |
| I (6) never had (7) a feeling             |
| Such a feeling of complete and utter love |
| As I do tonight                           |
| Lady in red                               |
| Is dancing with me                        |
| (Cheek to cheek)                          |
| There's nobody here                       |
| Just you and me                           |
| It's where I wanna be                     |
| I hardly know                             |
| This beauty by my side                    |
| Never forget                              |
| The way you look tonight                  |
| I (8) never forget                        |
| The way you look tonight                  |
| Lady in red                               |
| Lady in red                               |
| Lady in red                               |
| My lady in red                            |
| I (9) vou                                 |
