

Fill in the gaps

The Lady In Red by Chris De Burgh

I've (1) seen you (2) so lovely	Want to be there by your side
As you did tonight	And when you (17) to me and smile
I've (3) seen you (4) so bright	You took my (18) away
I've never seen so many men ask you	I have never had such a feeling
If you (5) to dance	Such a (19) of complete and utter love
Looking for a little romance	As I do tonight
Giving half the chance	Lady in red
I (6) never seen that (7) your wearing	Is dancing (20) me
Or the highlights in your hair that catch (8) eyes	(Cheek to cheek)
I have (9) blind	There's (21) here
Lady in red	Just you and me
Is (10) me	It's where I wanna be
Cheek to cheek	I hardly know
There's (12) here	This beauty by my side
Just you and me	Never forget
It's where I wanna be	The way you (22) tonight
I hardly know	I will never forget
This beauty by my side	The way you look tonight
Never forget	Lady in red
The way you (13) tonight	Lady in red
I've (14) (15) you look so gorgeous	Lady in red
As you did tonight	My (23) in red
I've (16) seen you shine so bright	I (24) you
You were amazing	
I've never seen so many people	

1. never
