

## Fill in the gaps

You'll remember me when the (1) wind moves	I never made promises lightly
Upon the fields of barley	And there have been some (6) I've broken
You'll forget the sun in his (2) sky	But I swear in the days still left
As we (3) in fields of gold	We'll walk in fields of gold
So she took her love	We'll walk in fields of gold
For to gaze awhile	Many years (7) passed (8) those
Upon the fields of barley	summer days
In his arms she fell as her hair came down	Among the fields of barley
Among the fields of gold	See the children run as the sun goes down
Will you stay with me, will you be my love	Among the fields of gold
Among the fields of barley	You'll (9) me when the west wind moves
We'll forget the sun in his jealous sky	Upon the fields of barley
As we lie in fields of gold	You can tell the sun in his (10) sky
See the west wind (4) like a lover so	When we walked in fields of gold
Upon the fields of barley	When we walked in fields of gold
Feel her body (5) when you kiss her mouth	When we walked in fields of gold
Among the fields of gold
