You And Me by Lifehouse

And I don't know why

Fill in the gaps

What day is it?	I can't keep my eyes off of you
And in what month?	There's something about you now
This (1) (2) seemed so alive	I can't quite figure out
I can't (3) up	Everything she does is beautiful
And I can't back down	Everything she does is right
I've been losing so much time	Cause it's you and me
Cause it's you and me	And all of the people with nothing to do
And all of the (4) (5) nothing to do	Nothing to lose
Nothing to lose	And it's you and me
And it's you and me	And all of the people
And all of the people	And I don't know why
And I don't know why	I can't keep my (10) off of you and me
I can't keep my (6) off of you	And all of the people
One of the things that I want to say	With (11) to do
Just aren't coming out right	Nothing to prove
I'm tripping on words	And it's you and me
You've got my head spinning	And all of the people
I don't know (7) to go (8) here	And I don't know why
Cause it's you and me	I can't keep my eyes off of you
And all of the (9) with nothing to do	What day is it?
Nothing to prove	And in what month?
And it's you and me	This clock (12) (13) so alive
And all of the people
