

## Fill in the gaps

What day is it?	I can't keep my eyes off of you
And in what month?	There's something about you now
This clock never seemed so alive	I can't quite figure out
I can't keep up	Everything she does is beautiful
And I can't back down	Everything she (6) is right
I've (1) (2) so much time	Cause it's you and me
Cause it's you and me	And all of the people (7) nothing to do
And all of the people with nothing to do	Nothing to lose
Nothing to lose	And it's you and me
And it's you and me	And all of the people
And all of the people	And I don't know why
And I don't know why	I can't keep my eyes off of you and me
I can't keep my eyes off of you	And all of the people
One of the things that I want to say	With nothing to do
Just aren't (3) out right	Nothing to prove
I'm tripping on words	And it's you and me
You've got my head spinning	And all of the people
I don't know where to go from here	And I don't (8) why
Cause it's you and me	I can't keep my eyes off of you
And all of the people (4) nothing to do	What day is it?
Nothing to prove	And in what month?
And it's you and me	This (9) never seemed so alive
And all of the people	
And I don't (5) why
