High Hopes by Nightwish

Beyond the horizon of the place we lived
When we were young
In a world of magnets and miracles
Our thoughts strayed constantly and without boundary
The ringing of the division bell had begun
Along the Long Road and on down the Causeway
Do they still meet there by the Cut
There was a ragged (1)_____ (2)_____ followed our
footsteps
Running before time took our dreams away
Leaving the myriad (3)_____ creatures
Trying to tie us to the ground
To a life consumed by slow decay
The grass was greener
The light was brighter
With friends surrounded
The nights of wonder
Looking beyond the embers of bridges glowing behind us
To a glimpse of how green it was on the other side
Steps taken forwards but sleepwalking back again
Dragged by force of (4)_____ inner tide
At a higher altitude with (5)_____ unfurled
We reached the (6)_____ heights of that dreamed of
world
Encumbered forever by (7)_____ and ambition

There's a hunger still unsatisfied
Our weary eyes still stray to the horizon
The dog is road, we've been so many times
The grass was greener
The light was brighter
With friends surrounded
The nights of wonder
With friends surrounded
The dawn (8)_____ growing
The (9)_____ flowing
The endless river
Forever and ever
The grass was greener
The light was brighter
The taste was sweeter
The nights of wonder
With friends surrounded
The dawn mist growing
The water flowing
The endless river
Forever and ever
