

Fill in the gaps

Don't cry (1) to me	I'm (11) to overcome
Everything we are and used to be	Completely (12) and numb
Is buried and gone	Knock me down, throw me to the floor
Now it's my (2) to speak	There's no pain, I can't feel no more
It's my turn	I'm (13) to overcome
To (3) and (4) what's	Overcome
(5) killing me	(Overcome) You'll never know
I'll be (6) fighting you	What I was thinking before you came around
It's impossible	Take a step, (14) a breath, put (15)
Impossible	(16) down
Say goodbye, with no sympathy	I cannot worry (17) of what you think of me
I'm (7) to overcome	I may be crazy but I'm buried in your memory
Completely (8) and numb	I'm (18) to overcome
Knock me down, throw me to the floor	Completely stunned and numb
There's no pain, I can't feel no more	Knock me down, throw me to the floor
I'm entitled to overcome	There's no pain, I can't feel no more
Overcome	I'm entitled to overcome
Finally see what's beneath	Completely (19) and numb
Everything I am and (9) to be	I'm (20) to overcome
Cannot be lost	Completely stunned and numb
I'll be (10) fighting you	I'm entitled to overcome
You're impossible	I may be crazy but I'm buried in your memory
Impossible	
Say goodbye, with no sympathy
