No Surprises by Radiohead

Fill in the gaps

A heart that's full up like a landfill
A job that (1) kills you
Bruises (2) won't heal
You were so tired and happy
Bring down the government
They don't, they don't (3) for us
I'll take the (4) life
A handshake, some carbon monoxide
No (5) and no surprises
No alarms and no surprises
No alarms and no surprises
Silent
Silent
This is my final fit
My (6) bellyache with
No alarms and no surprises
No alarms and no surprises
No alarms and no surprises
Please
Such a (7) house
Such a (8) garden
No (9) and no surprises
No alarms and no surprises
No alarms and no surprises
Please
