

I just want you close				
Where you can (1) forever				
You can be sure				
That it will only get better				
You and me together				
Through the (2) and nights				
I don't (3) 'cause				
Everything's gonna be alright				
People keep talking				
They can say what (4) like				
But all I know is				
Everything's gonna be alright				
No one, no one, no one				
Can get in the way of what I'm feeling				
No one, no one				
Can get in the way of what I feel for you				
You you				
Can get in the way of what I feel for you				
When the rain is pouring down				
And my heart is hurting				
You will always be around				
This, I know, for certain				
You and me together				
Through the (5) and nights				

I don't worry 'cause
