Everytime you go away...

Fill in the gaps

Everytime You Go Away by Paul Young

Hey, if we can solve any problem	You take a (10) of me with you
Then why do we lose so (1) tears	Oh
Oh and so you go again	Every (11) you go away
When the (2) man appears	You take a piece of me with you
Always the same thing	I can't go on
Can't you see	Sayin' the same thing
We've got everything	'Cause baby, can't you see
Goin' on and on and on	We've got everything
Every (3) you go away	Goin' on and on and on
You (4) a (5) of me with you	Every (12) you go away
Every (6) you go away	You (13) a (14) of me with you
You take a piece of me (7) you	Every time you go away
	You take a piece of me with you
Go on and go free	Every time you go away
Yeah	You take a (15) of me (16) you
Maybe you're too (8) to see	Every time you go away
I can (9) yor body move	You take a piece of me with you
It doesn't mean that much to me	Every time you go away
I can't go on	You (17) a (18) of me with you
Sayin' the same thing	Every (19) you go away
Just can't you see	(You (20) a piece of me with you)
We've got everything	
Baby even know, you know
