I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park

(When this began)		i wanna feel
I had (1) to say		What I thought was never real
And I'd get lost in the nothingness inside of me		I wanna let go of the pain I've felt so long
(I was confused)		(Erase all the pain till it's gone)
And I let it all out to find		I wanna heal
That I'm not the only person (2)	these things in	I wanna feel
mind		Like I'm close to something real
(Inside of me)		I (5) find something I've wanted all along
But all that they can see the words revealed		Somewhere I belong
Is the only real thing that I've got left to feel		I will never know
(Nothing to lose)		Myself until I do this on my own
Just stuck, hollow and alone		And I will never feel
And the fault is my own		Anything else until my wounds are healed
And the fault is my own		I will never be
I wanna heal		Anything (6) I break away from me
I wanna feel		I will break away
What I thought was never real		I'll find myself today
I wanna let go of the pain I've felt so long		I wanna heal
(Erase all the pain till it's gone)		I wanna feel
I wanna to heal		What I thought was never real
I wanna to feel		I wanna let go of the pain I've (7) so long
Like I'm close to something real		(Erase all the pain till it's gone)
I wanna find something I've wanted all along		I wanna heal
Somewhere I belong		I wanna feel
And I've got nothing to say		Like I'm close to something real
I can't believe I didn't fall right down on my face		I wanna find something I've (8) all along
(I was confused)		Somewhere I belong
Looking everywhere only to find		I wanna heal
That it's not the way I had (3) it all in my		I (9) feel like I am
mind		Somewhere I belong
(So what am I)		I wanna heal
What do I have but negativity		I wanna feel like I am
'Cause I can't justify way everyone is looking at me		Somewhere I belong
(Nothing to lose)		Somewhere I belong
Nothing to gain, (4)	and alone	
And the fault is my own		
And the fault is my own
