Feeling the pain's denial,

And (1)_____ fingers in the fire

Look, (2)_____ in the candle light

See in the flame of life

And my (3)_____ is our lie

[Chorus:]

Taste the love

The Lucifer's (4)_____ that makes you numb

The passion and all the pain are one

Taste the love

The Lucifer's magic that makes you numb

You feel what it does and you're (5)_____ on love

You're sleeping in the fire

I gaze at the (6)_____ and (7)_____ burn

And cry out the name of which I yearn
