

## Fill in the gaps

### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)\_\_\_\_\_ in the candle light

See in the (2)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic (3)\_\_\_\_\_ (4)\_\_\_\_\_ you numb

The passion and all the (5)\_\_\_\_\_ are one

You're sleeping in the fire

Taste the love

The Lucifer's magic (6)\_\_\_\_\_ (7)\_\_\_\_\_ you numb

You feel (8)\_\_\_\_\_ it (9)\_\_\_\_\_ and you're drunk on love

You're (10)\_\_\_\_\_ in the fire

I (11)\_\_\_\_\_ at the (12)\_\_\_\_\_ and fire burn

And cry out the (13)\_\_\_\_\_ of which I yearn

[Chorus]

Taste the love

The Lucifer's magic (14)\_\_\_\_\_ (15)\_\_\_\_\_ you numb

The (16)\_\_\_\_\_ and all the pain are one

You're sleeping in the (17)\_\_\_\_\_

Answer

**Fill in the gaps**
